San Juan PR, 00919

If you wish to contact us, you can find our contact details at the end of this privacy policy.

It is Interactive Technology Group, Corp.’s policy to respect your privacy regarding any information we may collect while operating our website. This Privacy Policy applies to <https://blockskill.co> (hereinafter, "us", "we", "Website" or "Blockskill"). We respect your privacy and are committed to protecting personally identifiable information you may provide us through the Website. We have adopted this privacy policy ("Privacy Policy") to explain what information may be collected on our Website, how we use this information, and under what circumstances we may disclose the information to third parties. This Privacy Policy applies only to information we collect through the Website and does not apply to our collection of information from other sources.

This Privacy Policy, together with the Terms and Conditions of Use posted on our Website, set forth the general rules and policies governing your use of our Website. Depending on your activities when visiting our Website, you may be required to agree to additional terms and conditions.

Website Visitors

Like most website operators, ITG collects non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request. ITG’s purpose in collecting non-personally identifying information is to better understand how Blockskill’s visitors use its website. From time to time, ITG may release non-personally-identifying information in the aggregate, e.g., by publishing a report on trends in the usage of its website.

ITG also collects potentially personally-identifying information like Internet Protocol (IP) addresses for logged in users and for users leaving comments on Blockskill’s posts. ITG only discloses logged in user and commenter IP addresses under the same circumstances that it uses and discloses personally-identifying information as described below.

Gathering of Personally-Identifying Information

Certain visitors to Blockskill choose to interact with it in ways that require ITG to gather personally-identifying information. The amount and type of information that ITG gathers depends on the nature of the interaction. For example, we ask visitors who sign up for Blockskill to provide a username and email address.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Links to External Sites

Our Service may contain links to external sites that are not operated by us. If you click on a third-party link, you will be directed to that third-party's site. We strongly advise you to review the Privacy Policy and terms and conditions of every site you visit.

We have no control over, and assume no responsibility for the content, privacy policies or practices of any third-party sites, products or services.

Children's Privacy

Our Services do not address anyone under the age of 13. We do not knowingly collect personal identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do necessary actions.

Remarketing

Blockskill uses remarketing services to advertise on third party websites to previous visitors to our site. It could mean that we advertise to previous visitors who haven't completed a task on our site, for example using the contact form to make an enquiry. This could be in the form of an advertisement or notification. Third-party vendors use cookies to serve ads based on someone's past visits. Of course, any data collected will be used in accordance with our own privacy policy and the third-party vendor's privacy policy.

Protection of Certain Personally-Identifying Information

Interactive Technology Group, Corp. discloses potentially personally-identifying and personally-identifying information only to those of its employees, contractors and affiliated organizations that:

- (i) need to know that information in order to process it on ITG's behalf or to provide services available at the Blockskill website
- (ii) that have agreed not to disclose it to others.

Some of those employees, contractors and affiliated organizations may be located outside of your home country; by using Blockskill, you consent to the transfer of such information to them. ITG will not rent or sell potentially personally-identifying and personally-identifying information to anyone. Other than to its employees, contractors and affiliated organizations, as described above, ITG discloses potentially personally-identifying and personally-identifying information only in response to a subpoena, court order or other governmental request, or when ITG believes in good faith that disclosure is reasonably necessary to protect the property or rights of ITG, third parties or the public at large.

If you are a registered user of Blockskill and have supplied your email address, ITG may occasionally send you an email to tell you about new features, solicit your feedback, or just keep you up to date with what's going on with ITG and our products. We primarily use our announcements section to communicate this type of information, so we expect to keep this type of email to a minimum. If you send us a request (for example via a support email or via one of our feedback mechanisms), we reserve the right to publish it in order to help us clarify or respond to your request or to help us support other users. ITG takes all measures reasonably necessary to protect against the unauthorized access, use, alteration or destruction of potentially personally-identifying and personally-identifying information.

Aggregated Statistics

ITG. may collect statistics about the behavior of visitors to Blockskill. ITG may display this information publicly or provide it to others. However, ITG does not disclose your personally-identifying information.

Cookies

To enrich and perfect your online experience, ITG may use "Cookies", similar technologies and services provided by others to display personalized content, appropriate advertising and store your preferences on your computer.

A cookie is a string of information that a website stores on a visitor's computer, and that the visitor's browser provides to the website each time the visitor returns. ITG may use cookies to help us identify and track visitors, their usage of Blockskill, and their website access preferences. ITG visitors who do not wish to have cookies placed on their computers should set their browsers to refuse cookies before using ITG's websites, with the drawback that certain features of ITG's websites may not function properly without the aid of cookies.

By continuing to navigate our website without changing your cookie settings, you hereby acknowledge and agree to ITG's use of cookies.

Log Data

We want to inform you that whenever you visit our Service, we collect information that your browser sends to us that is called Log Data. This Log Data may include information such as your computer's

Internet Protocol ("IP") address, browser version, pages of our Service that you visit, the time and date of your visit, the time spent on those pages, and other statistics.

E-commerce

Those who engage in transactions with ITG – by purchasing ITG's services or products, are asked to provide additional information, including as necessary the personal and financial information required to process those transactions. In each case, ITG collects such information only insofar as is necessary or appropriate to fulfill the purpose of the visitor's interaction with ITG. ITG does not disclose personally-identifying information other than as described below. Visitors can always refuse to supply personally-identifying information, with the caveat that it may prevent them from engaging in certain website-related activities.

Business Transfers

If ITG, or substantially all of its assets, were acquired, or in the unlikely event that ITG goes out of business or enters bankruptcy, user information could be one of the assets that is transferred or acquired by a third party. You acknowledge that such transfers may occur, and that any acquirer of ITG may continue to use your personal information as set forth in this policy.

Privacy Policy Changes

Although most changes are likely to be minor, ITG may change its Privacy Policy from time to time, and at ITG's sole discretion. ITG encourages visitors to frequently check this page for any changes to its Privacy Policy. Your continued use of this site after any change in this Privacy Policy will constitute your acceptance of such change.
